# ERSTA ROLL-UP BARN DOORS

**We offer the right door system for every specific stable.**

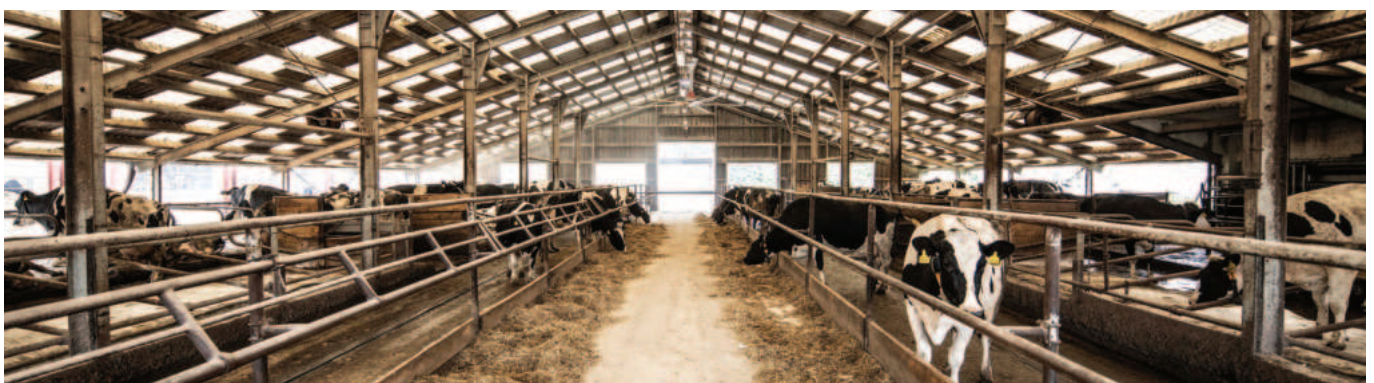

The technology integrated into our folding doors is safe and convenient and can easily be controlled with a remote control.

## DRIVES

- ✓ Manual drive with chain – max. dimension of barn door 4 x 4m
- ✓ Electric drive: 400 V including control box, open/close switch and CEE plug
- ✓ Electric drive 400V, including control box, open/close switch and CEE plug, with remote control and closing edge safety device.

Remote controlled doors are the perfect choice not only in the winter time but also during the transitional period on cold and windy days as they keep the desired warmth in the shed and prevent man and animal from being exposed to drafts.
